

No. 244 Long Island, New York - Frank Garcia Ring
Meets 1st Thursday, Plainview Public Library, Plainview, New York
CHRIS WARD, Secretary
15 Moran Place, New Rochelle, NY 10801

In July, we had a Swap Meet. Many members brought stuff like books, pamphlets, tricks and even some illusions. There is a phrase that goes something like “One man’s garbage is another man’s gold”. And that proved to be right. Guys were trading stuff all over the place. I even saw one guy trade some stuff for pictures of dead presidents. What a country! Many members went home with stuff other than the stuff they arrived with. I just hope people did not replace the stuff in their drawer with different stuff, or for that matter bigger stuff. The last thing that we all need is more stuff. If we end up with more stuff or bigger stuff, we are going to need a bigger place to keep our stuff because everybody knows that you can’t throw out stuff because the minute that you throw out stuff, you have a need for that very same stuff. The goal of this meeting was to make useful stuff out of useless stuff. I think it worked.

By the way, our picnic is set for Sunday, September 10th and our dinner, dance and show is set for Saturday, January 27th. And, by the way again, lifetime member Bob Elliott and his wife Happy were back on the right coast for a visit after the convention. They both looked great and it was great to see them! I wonder though, how much stuff did they have to bring with them from the left coast? I hope that they had room in their bags because you know they are going home with more stuff than they came with.
